**A NEW NOVEL BY A LADY.****D. APPLETON & CO.,**  
No. 443 and 445 BROADWAY,  
PUBLISHED 1863. **PATENT:****LIGHT.**

BY HELEN MODEST.

"A new book by a new author is sufficient in itself to give literary currency. This book will do more than that. There is about it a true, simple, and winsome quality, which, though unadorned to the ways of the world, is fascinating, did not the variety of its characters, the intricacy of its plot, and the sprightfulness and wit of its conversation, indicate an original and witty mind?—and nothing better in a novel. The purity of its sentiments and the excellent lesson taught in its pages give the book a claim to yet higher commendation."
